# <sup>+</sup>ERDE+SONNE+ JUPITER

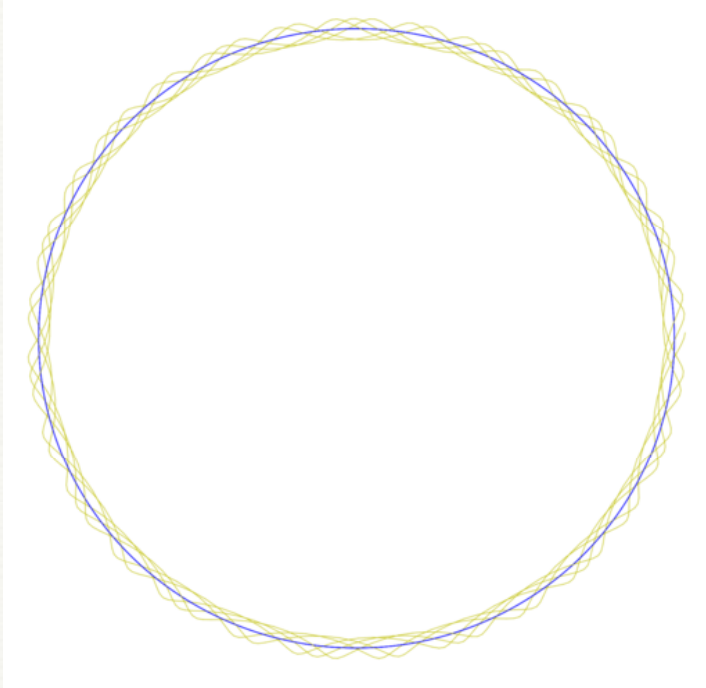

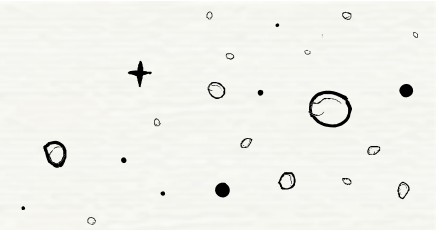

A stylized illustration of a comet or meteor streaking across a starry sky. The comet has a dark, circular nucleus and a long, tapered tail composed of many small dots. The background is a light beige color with scattered stars, represented by small dots and plus signs. A solid blue horizontal bar runs along the bottom of the image. The text "Mond+Erde!" is written in a blue, sans-serif font, underlined with a thin black line.
